

THE GRATITUDE TREE

During the Advent and Christmas season, we are often blessed with gifts and goodies from our family and friends. It's important that we remember to be grateful for all these amazing blessings in our life. By hanging these ornaments on our Christmas Tree, it'll remind us to thank God for all the great things he has given us.

You'll need:

- Gratitude Tree Ornaments
- Markers
- Ribbon and hole punch

Prep:

- Print the ornaments.

Activity:

Tell the kids:

1. Choose your ornaments and cut them out.
2. Write something that you are grateful for.
3. Color the ornament and use the ribbon to hang it on your tree.
4. Take a picture of you with your ornament and send it to catholickids@catchat.ca or tag us on Instagram [@catchat_for_kids](https://www.instagram.com/catchat_for_kids).

“The best way to show my gratitude to God is to accept everything, even my problems, with joy.”
