# Thursday Times

## THANK YOU

Losing my Mom was incredibly difficult and honestly too soon for me and my family. Then to learn of my Grandfather's passing has made the month of March very difficult. PoP has been my refuge through this storm. The children fill my days with joy and love. In addition your kindness through words, actions and your patience with everything, has meant more to me than I can adequately express. I am so very blessed to be part of this community. Thank you from the bottom of my heart!
