Attendance

Student attendance is critical to your student's educational success. Missing 2 days a month is considered chronic absenteeism. Kentucky adopted new school laws this year for truancy. According to the State of Kentucky, Any student who has attained the age of six (6) years, but has not reached his or her eighteenth birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant. Any parent/guardian who intentionally fails to comply with the requirements of KRS 159.010 to 159.170 shall be fined one hundred dollars (\$100) for the first offense, and two hundred fifty dollars (\$250) for the second offense. Each subsequent offense shall be classified as a Class B misdemeanor. This determination is at the discretion of the judicial system.

Please remember to send in an excuse with your child and to call them off when they are sick or have appointments. We understand that families like to take trips throughout the year. However, we have many long weekends and vacations built into the calendar. Please refrain if at all possible from scheduling trips on school days.

Seat Belts

This is a friendly reminder that all children should be safely buckled in before you leave your parking space. I have seen many children not buckled into their car seats or seat belts. We GREATLY appreciate your help in enforcing this matter with your children.
