

Week of:
March 3rd-7th

Family Connection

Prince of Peace School

This Family Newsletter is published weekly and sent home with the youngest student each Thursday. Please post your copy at home or work as a reminder of school events and activities.

OPEN

FACTS

FACTS has opened its application process for financial aid for the next school year. All families are welcome to apply. You need to have your 2024 taxes complete.

Science Fair

After a couple months of hard work, our Intermediate and Jr High students had their Science Fair presentations today. Afterwards, there was a small reception to celebrate.

Tuition Letter

We have received our tuition information from the Diocese. It is a slight increase from this current school year. There is a letter in the red folder with more information.

Report Cards

In today's folder you will find the following:
Report Cards
Winter MAP scores
Absentee Letters for those who have missed more than 10 days this year
If after reviewing this information you have any questions or concerns, please reach out to your child's teacher or myself.

Read-a-thon

Read-a-thon began on Monday. We are already off to a really good start. Please continue to share with family and friends. It is awesome to see the kids motivated to read while supporting the school.

Thank you

Thank you to all the families who joined us for crafts, cake, and community at our Mardi Gras celebration. Special Thanks to the Millers for organizing the event and to the parents who brought goodies to share!
