

Family Connection Newsletter
October 13 – October 17

Don't Forget about Grandparents Day tomorrow. We begin with Mass at 8:45 AM and then move to the gym for coffee and donuts. The day will end at 10 AM.

1. There is a flyer in the folder with some information about workshops being conducted at Springer School. The workshops are free and are held on Springer's campus. They are definitely worth your time to look at and consider if you are dealing with an issue one of the workshops addresses.
2. **Starting tomorrow, the glass entry doors will be closed promptly at 8 AM.** If you bring your student once the door is closed, you will need to take them to the office and sign them in for the day. By state law, I am required to keep track of tardies and absences just as the public schools do. I thank you in advance for your cooperation.
3. October 19-20, Schoolbelles is having a Fall Sale. They will give free shipping for anything you buy. Our school code is S2394.
4. I am sending home a flyer concerning a Capstone research project that is being conducted by a student in the Masters Occupational Therapy program at Xavier. Having done a huge research study myself, I know how important it was to get people to participate so I encourage you to help out if you can. You can scan the QR code on the flyer or use the link provided to participate.
5. On Saturday, October 25 from 9am to noon, Covington Catholic will hold a Tech Recycling Day in their parking lot nearest the bus stop and closer to the tennis courts entrance. They will accept computers (wiped clean of data), speakers, screens, cords, headphones, phones, cameras, hard drives, old game systems, TVs (old box TVs are added charge of \$25), and any old electronics. This is a great way to get rid of electronics without dumping them in the landfill.
6. Just a heads up: we will have an unscheduled off day on **November 7, 2025**. We will be a part of the Covington Rock the Block Weekend. A team of volunteer painters will be here on Friday 11/7 and Saturday 11/8 to paint several hallways, doors, frames, and rooms in our building. While they are painting, we will need to vacate the building. I am looking forward to seeing the transformation and I thank Habitat for Humanity for their generous offer to help beautify our school. If you want to be part of the Habitat Crew that is doing other work around the block on Thursday 11/6, Friday 11/7, and Saturday 11/8, you can use this link to sign up. I encourage you to give back to the people who are giving to us! <https://vhub.at/hfhgc-rocktheblock>

Have a great weekend and we will see you on Monday!
